

STRUT SPRING COMPRESSOR

7400

Branick[®]

Proudly Made in the U.S.A. 

Most trusted strut spring compressor!

Known as “the standard in the industry,” the 7400 handles the heaviest coil-over-shocks, on light trucks and SUV’s, without needing additional adaptors. It also has longer handles for extra torque. There are multiple positions in which the longer upper spring hooks can be arranged for ultimate flexibility to fit “factory” coil spring configurations. Whether long, short, narrow, or angled, the 7400 will get it done. Made in the U.S.A. at Branick’s manufacturing facility in Fargo, ND!

HANDLES THE TOUGHEST APPLICATIONS!
